RE: Testimonial

My name is Clara Poon, Hong Kong Citizen. I am the director of a limited company call Vic Cheer International Limited which located in Lai Chi Kok, Kowloon, Hong Kong. We are the main wine distributor of Hong Kong and China, we do retail selling and distribute. **I must say thanks to the management staffs of LJ Consultants & Services Sdn Bhd** for the arrangement and good care when I drop a visit to Malaysia last week.

LJ Consultants was absolutely of critical value in leading me through the maze bureaucracy of expanding my business in Malaysia. They also help on to organize a wine tasting for me and introduce a very potential business partners to me.

Beside of business, they become my tour guide. They do bring me around and intro me how's Malaysia look like. I do experience the happening night in Malaysia and the delicious local food. They are friendly and kind to treat us as their friend.

LJ Consultants has proven to be capable and reliable, efficient and fast process. The management staff was helpful and keeps given me professional advice and comment. Thus, leading this case being accomplished within the agreed timelines.

Their invaluable knowledge and effort has enabled my company to quickly establish regional office status and position key expatriate in Malaysia to continue my company expansion into new market. **I would fail in it without their help and supports. I am really pleased with their work.**

We have no hesitation in recommending them to whom that need their services.

Yours faithfully,

For and on behalf of
