Dear LJ Teams,

Letter of Testimonial

I'm very happy and glad with the services that have been provided by LJ Consultants & Services to me recently.

I'm a Pakistan expat who has been in living in Malaysia for more than 23 years. I have more than 20 years of experience in the carpet business and I currently able to set-up my own carpet business.

I have made the necessary submission to the authority but it was rejected. I'm fortunate that I able to appoint LJ Consultant to help me and solve this case. LJ Consultant managed to provide me a good advice and they have fight until the whole visa applications were approved with 2 years!

Overall, I'm satisfied with the professionalism and passion that LJ Consultants and its staff have shown and they have provided a great service to me and I'm sure they can portray a good service to others too.

Many Regards,

Naseer Ahmad Bhatti
